ANNUAL REPORT

2024 – 2025

The echoes of democracy were loud and clear at New Horizon International School as the leaders of tomorrow embarked on an exciting journey. At the **Investiture ceremony**, we badged our newly elected Council members and our Head Girl- Gaurika Paradkar and Head boy- Krish Negi.

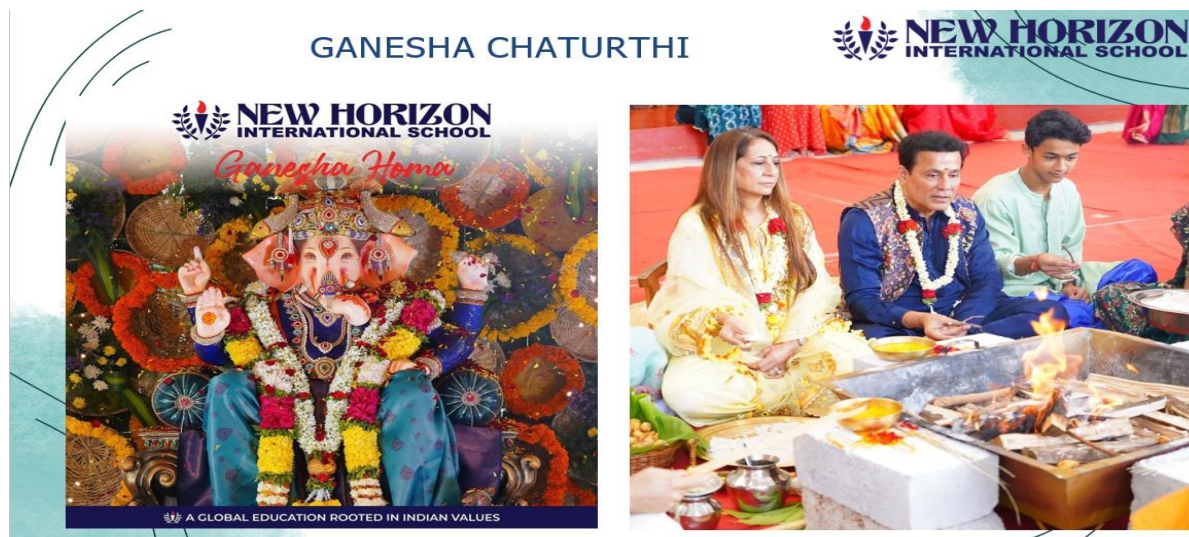

'Yoga Day' witnessing different yoga asanas performed by all the students for better concentration and meditation.

Independence Day and Republic Day were enthralling with patriotic and cultural performances.

Be it the festivities and learning from the celebrations of **Janmashtami**, to the spiritual and divine connections at **Ganesha Chaturthi** or showcasing the love for the **state of Karnataka** in the **special assembly of Kannada Rajotsava**, to the unlimited games and food for students at the **Deepotasava** with **Ayodhya** theme, we had it all!

STAR GAZING ON 25TH JANUARY 2025

Another year to shine and rise has begun at NHIS in co-curriculars. Champion in the making! Our shining star **Kinaaya P of UKG**, started this year bagging the 1st place in All-India Junior Story Masters! She also proudly clinched the Bronze Medal in the Professional Inline Skating Inter-School Competition held in August.

Congratulations to Kinaaya for this impressive achievement! We celebrated the exceptional accomplishments of our students in the Wiz National Spell Bee Competition. **Ayesha from 2D** made us immensely proud by securing an impressive 27th rank at the national level. **Rithanya from 3C**, also shone brightly in the competition, achieving an outstanding 36th rank.

We are thrilled to announce that Impana Gowda and Eva Anna John have achieved remarkable success by being recognized as Top Ten Winners in the highly prestigious Veena Vatika International Drawing Contest 2024! And Thiyan S from Grade 1D, has once again brought glory to our school by securing 1st place in an Inter-School Gymnastics Competition

NHIS students were the '**Overall Champions**' in the **junior category** among 170 schools with over 500+ participants. From grades 3-5, the 1st prize was won by Arya, Thaniksha, Turvi and Anirudh SK. We were the talk of the town as our students from grades 6-9 won '**All over engineering design championship in the senior category**' and bagged 2nd prize with Sathvik, Pranav Sai Ram, Shivank Kapil and Aagam Shah

I would also like to mention the outstanding achievements of **Arya GS** from grade 5 who has been incredible at badminton. He secured the 1st prize in doubles and 3rd prize in singles at the Open State level badminton tournament in U-13 category. He had also bagged the 1st place in Singles at the Padukone school of badminton, U-13 category in December 2024. With a 6th rank in the U11 doubles category in Karnataka! Keep smashing Arya!

Tisha Chaudhary from grade 4, it is with great joy that I announce her recent achievement of earning her Blue Belt, marking a significant milestone in her martial arts journey. But that's not all, Tisha has just recently, she secured 3rd place in the highly competitive State-Level Kung Fu Tournament. In **Karate**, **Samarth** from G7 bagged for himself a bronze in kata, and a silver in kumte.

It is with immense pleasure and pride that I share the incredible achievements of our students in the **Science Olympiad Foundation Exams**. Over 500 enthusiastic students from grades 1 to 9 participated across a wide

array of subjects with many earning gold medals for their outstanding performances. Notably, **Bhavya Agarval** from grade 6 achieved a prestigious gold medal, securing an impressive regional and national rank of 7 in the International Mathematics Olympiad (IMO). In Science Olympiad(NSO), we celebrate **Smeeral S of grade 2**, who earned a gold medal with an exceptional international rank of 8, and **Kanav M** from grade 3, who also clinched a gold with an international rank of 18. **Annirudh Hadimani** of grade 6 further showcased excellence, securing a gold medal with an international rank of 17. In the International English Olympiad (IEO), **Thrishv Gopi** from grade 4A achieved an outstanding international rank of 10. Moreover, I am thrilled to announce that 66 of our talented students have qualified for the second level exams, a testament to their dedication and hard work.

The list of students is endless, and their accomplishments are astounding, and we are yet to explore their potential and I am sure the accolades will be higher next year! A rewarding experience that we are going to commence for junior secondary students is the **Job Shadowing Program** allowing the students to observe and closely follow experts perform their role for the entire day and reflect on their learnings.

New Initiatives

ACT OF PURPOSE

Service- Learning Program

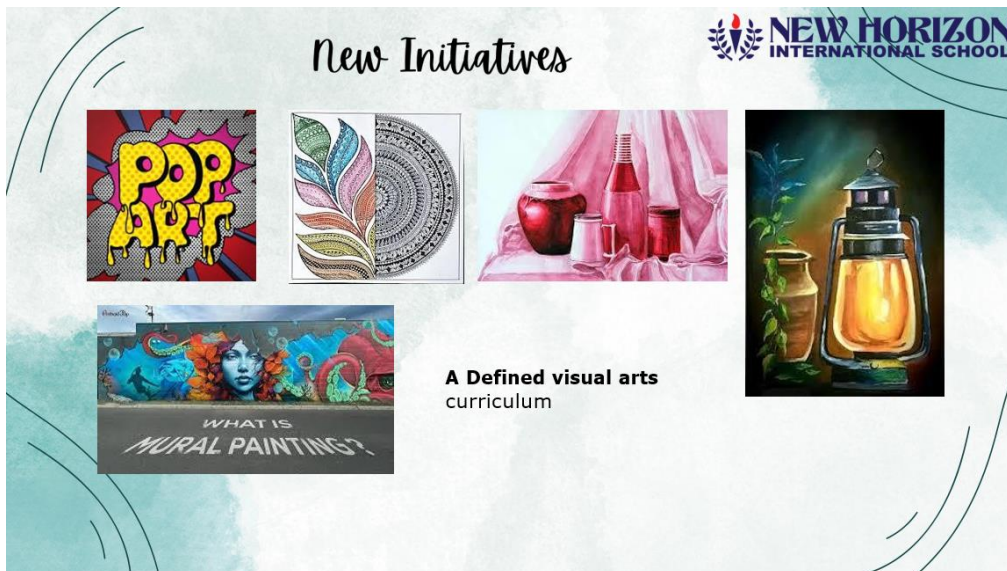

To give back to society and help the underprivileged will be our motto every year going forward with the launch of 'ACT OF PURPOSE' program where our students will come together to contribute and raise funds for a cause. With a **structured 52+ club** program with 21hrs of additional learning, culminating in a showcase, it is something that I would like to emphasize on

We are also launching a 6-month-long **Curiosity Challenge** for grades 6-8 where students will work on a question that puzzles them and find their solutions and present them. This will help them to develop skills in critical thinking. With a **structured curriculum** for all Co-Scholastic areas including visual arts, we have also incorporated **Self-defense and Public Speaking**, along with **Archery** for selected grades. I am happy to share that we are also

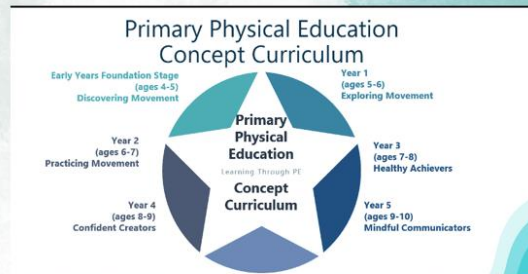

launching a full-fledged **Chess Lab**, **Dodge ball** as a sport, **Jungle Gym** for our young children, **Financial Literacy program** as enrichment activities and **Shark Tank competition** for junior secondary- we have it all.
