New Horizon Educational Institutions: Your Gateway to a Fulfilling Future

Established in 1970, New Horizon Educational Institutions (NHEI) is a group of premier institutions in Bengaluru, India's IT capital. NHEI boasts a rich history of providing innovative education and fostering a vision to empower students with holistic development from pre-primary to professional level. Our eight high-performing institutions cater to diverse educational needs, ensuring a seamless journey for our students. Inspired by our motto, "In Pursuit of Excellence," we are dedicated to providing a nurturing environment that ignites intellectual curiosity and cultivates well-rounded individuals prepared for the challenges and opportunities of the future.

Message From **Chairman**

Dr. Mohan Manghnani

Chairman New Horizon Educational Institution

In today's world, knowledge is paramount. I believe that after one's home, school is the most influential learning environment. At NHIS, we are committed to recognizing each student's unique potential, understanding that knowledge is not just power but a catalyst for personal growth. It's a light that illuminates the mind, guiding us from ignorance to enlightenment.

NHIS inspires students to unlock their creative and innovative minds. Our state-of-the-art facilities and inquiry-based education create an optimal environment for growth.

Beyond academic excellence, we're dedicated to cultivating well-rounded individuals. Our holistic approach to education encompasses character development, leadership skills, and a global perspective.

We're delighted to welcome you and your child to NHIS. We look forward to a fulfilling academic year filled with learning, growth, and success.

Message From **Principal**

Ms. Swati Soni

Principal

New Horizon International School

On behalf of New Horizon International School, I extend a heartfelt welcome to our esteemed community. Since our inception, we have proudly served as a beacon of learning and growth, fostering the intellectual and personal development of our students.

Our commitment extends far beyond textbooks and classrooms. We believe in nurturing well-rounded individuals with a strong foundation in academics, character, creativity, and critical thinking skills. Our dedicated faculty, passionate about continuous learning, guides students to explore new horizons and navigate the complexities of the modern world.

At New Horizon International School, we value your partnership. Together, through open communication and collaboration, we aim create a vibrant learning environment where students thrive. We invite you to join us on this exciting journey, where education empowers students, educators, and parents alike.

New Horizon International School

“ A Global Education Rooted in Indian Values ”

About Us

NewHorizon International School is a place where education and excellence unite to create a nurturing and inspiring environment for students of all ages.

Our motto is to provide "**A Global Education Rooted in Indian Values**", and our educators strive hard every day to inculcate and instil values in our children while providing education of the highest quality using the latest technology and tools.

As a global leader in international education, we open the doors to a world of opportunities, to create individuals who are true globalcitizens, but at thesametime,inherently Indian.

Why New Horizon International School?

AtNHIS, our students are taught to be not just intelligent, but also wise. They are taught to not just absorb knowledge, but to create it. Our students are taught to not just replicate, but to innovate! Our campus is meticulously designed to inspire new ideas and ignite curiosity in our students to awaken the innate genius within them.

- Experiential learning to promote innovation and creativity.
- Innovation and Creation are not just encouraged but prioritised.
- Strong emphasis on morals, ethics, and values
- Extraordinary Infrastructure
- CBSE board.
- Highly qualified and specially trained faculty
- Customised career guidance

What makes us different from the rest? The differentiating factor lies in our way of approach towards teaching and our elevated level of commitment to kindling young minds and generating leaders, who are trailblazers and beyond mere professionals. We do not back down when it comes to providing the best quality of education!

Our Vision, Mission & Goal

Vision

To provide a comprehensive multidisciplinary learning experience that empowers our students to become successful Global Achievers and Pioneer Innovators.

Goal

Our goal is to offer our students, a world-class curriculum that has been seamlessly amalgamated with our country's rich culture and the wisdom of our sages to enable our students to become well-rounded individuals, exemplifying knowledge encompassing all aspects of life.

Mission

To integrate the cardinal skills of Critical Thinking, Communication, Collaboration and Creativity with a teaching pedagogy that focuses on Skill Development to ensure that our students are ready to tackle life's challenges and emerge as indisputable leaders.

Core Values

A community inclusive of all learning profiles defines New Horizon International School. Our ideologies welcome multiple perspectives, which aid in an engaging and continuous conversation amongst all learning partners, playing a significant role in achieving unparalleled quality of learning at NHIS. Our values are deep-rooted in our great Indian Culture, and we follow them unequivocally to ensure that our students develop a moral conscience that will help them become the best version of themselves. To carry out our mission, we have adopted a shared set of values that unite us, providing purpose, structure, and inspiration.

While these values are integrated into our academic and enrichment programs for students, we also expect that all members of our community, including parents, abide by them.

Integrity

Respect

Compassion

Hardwork

Perseverance

Our Curriculum

At NHIS, we aim to provide the best. From our infrastructure to our curriculum, we keep your child's best interests in mind. We provide a choice of two comprehensive teaching pedagogies & curriculums:

HYBRID CBSE

(Central Board of Secondary Education)

- A novel concept unique to NHIS
- A meticulously designed curriculum that is an amalgamation of the regular CBSE curriculum with the best practices of an international board to make it extraordinary.

It is our aim to provide the best learning experience for your child. HYBRID CBSE is an optimal blend of CBSE with the hands-on teaching pedagogy of an international board to ensure learning of the highest order. Our HYBRID CBSE curriculum has been developed keeping in mind the needs of the 21st century. With international infrastructure and student-centric experiential teaching methodologies, we promote innovative thinking to give rise to leaders and innovators. Our teaching transcends the conventional way of teaching but does not forget our core Indian values.

Career
Guidance

Kindergarten

At NHIS, we firmly believe that a strong foundation in early

education is the bedrock of a child's academic success and personal development. Our Kindergarten program is meticulously crafted to provide your child with a stimulating, nurturing, and age-appropriate learning environment. We embrace play-based learning methodologies, encouraging exploration, creativity, problem-solving, and social development. The Montessori philosophy, emphasizing independence and hands-on experiences, is seamlessly integrated into our classrooms. We have also incorporated the CAIE approach, ensuring a comprehensive and globally recognized educational experience for your child.

STEAM in Kindergarten

NHIS fosters young minds with a robust STEAM curriculum. Our early years program integrates Science, Technology, Engineering, Arts, and Mathematics to create a dynamic learning environment. We have a dedicated **STEAM Lab** for our kindergartners in which, through hands-on exploration and inquiry, students develop critical thinking, problem-solving, and creativity skills. Our STEAM-based approach equips children with a strong foundation for future success, inspiring innovation and lifelong learning.

Primary

Grade I-V

Our primary classes provide hands-on multidisciplinary and multi-sensory instructional approach that focuses on nurturing the imagination and Individuality of our students. Innovation and creativity are promoted by our excellent faculty through contemporary teaching techniques. Our curriculum beautifully combines classroom teaching with the practical teachings of real life. Our goal is knowledge-building and bringing out the best in your child. Our curriculum is integrated with music, dance, robotics, yoga, art, sports, life skills, and most importantly, values. These subjects are taught by specialized educators.

Subjects Offered

English, Kannada, French, Hindi, Mathematics, Environmental Studies, Computer Science, Global Perspectives, Robotics, Value Plus, Life Skills

Co-Scholastic Subjects Offered

Dance, Music, Visual Arts, Yoga, Sports

Junior Secondary

Grade VI - VIII - CBSE

The focus in lower secondary is on equipping our students with in-demand skill sets, a healthy view of self, and a hunger for excellence. We have devised a learning framework that prepares our students for a future filled with success. Our students enjoy a stimulating and varied curriculum that focuses on innovation, creativity and engagement, which challenges and inspires our students to become the best version of themselves. The science labs, the computer labs, the robotics lab, the recreational centre, the learning studios, and the one-of-a-kind science parks have been designed with salient features that inspire Innovation and boost creativity.

Subjects Offered

English, Hindi, French, Kannada, Maths, Science, Humanities, Social Science, Global Perspectives, Lego Education, Values Plus, Life Skill

Co-Scholastic Subjects Offered

Dance, Music, Visual Arts, Yoga, Sports

Upper Secondary

Grade IX - X CBSE

The Hybrid CBSE Upper Secondary Curriculum is designed to guarantee a comprehensive learning experience for a student. A practice-oriented teaching methodology is followed to ensure a child's overall growth and development. At the end of the Hybrid CBSE Upper Secondary, the students undertake the CBSE examination.

At New Horizon International School, we prioritize each student's future by providing exceptional career guidance. Our in house expert career counsellor offers personalized support to help students explore and select the path best suited to their talents and aspirations.

Subjects Offered

English, Hindi, French, Kannada, Maths, Science, Humanities, Social Science, Global Perspectives, Lego Education, Values Plus, Life Skill

Co-Scholastic Subjects Offered

Dance, Music, Visual Arts, Yoga, Sports

Our Infrastructure

NHIS's expansive 4.2-acre campus is more than just a place of learning; it's a vibrant community that fosters holistic development. Our state-of-the-art facilities, including spacious classrooms, modern laboratories, and dedicated creative spaces, provide an inspiring environment for students to explore their interests and talents. The campus is thoughtfully designed to encourage collaboration, innovation, and a love of learning. With ample outdoor areas for recreation and physical activity, NHIS offers a well-rounded experience that prepares students for success.

Multi-Recreational Area

Children's Play Area

Audio Visual Room

Infirmary

Science Laboratories at NHIS

Our science labs ignite curiosity and are meticulously curated to inspire the wonders of Science. These extraordinary spaces are focused on hands-on experimentation and creative problem-solving, encouraging students to apply their classroom knowledge in exciting and meaningful ways.

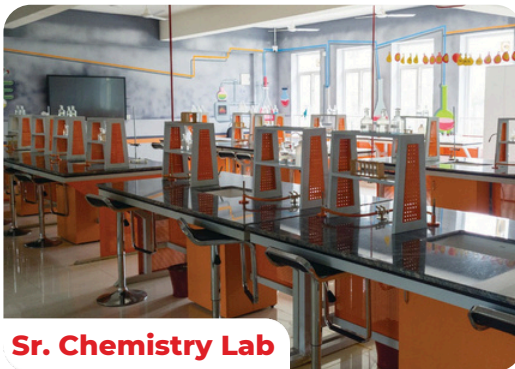

Our labs adhere to the highest safety standards, creating a stimulating environment where students are motivated to explore and learn more.

Sr. Biology Lab

Sr. Physics Lab

Sr. Chemistry Lab

Jr. Composite Lab

Junior Robotics Lab

Our school aims at keeping our students abreast of the advancement of technology and globalization. The Robotics Lab at NHIS is well equipped with the latest electronic gadgets needed for designing and fabricating a robotic apparatus. The lab provides a platform for children where they can collaborate, analyze, and create.

Senior Lego Lab

In our LEGO Lab, middle school students dive into STEAM education. They explore programming principles with graphical software, controlling builder models with sensors and actuators. Students construct and control various models, fostering basic programming skills, critical thinking, and problem-solving. Collaboration and presentation skills are honed as science becomes real and relevant. Lego Education develops and stimulates the technical thinking of a child, performing many functions at once: develops intellect, imagination, and perseverance.

Our Lego Lab introduces children to the world of robots and creates conditions for the development of interest in robotics and programming.

Our Extraordinary **Science Parks!** **Junior Science Park**

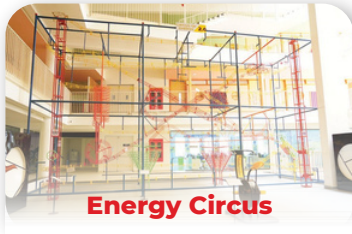

Our Junior Science Park is a magical place where young minds can explore the wonders of science. Designed with age-appropriate activities, this space fosters curiosity and creativity through interactive exhibits and engaging experiments. From simple machines to fascinating phenomena, our Junior Science Park offers a hands-on introduction to the world of science. Students can conduct experiments, build models, and observe scientific principles in action, while having fun. Our dedicated staff is always on hand to guide and encourage young learners, sparking a lifelong passion for discovery.

Senior Science Park

Our Senior Science Park is the largest of its kind in India, providing a cutting-edge environment for older students. Equipped with advanced technology and sophisticated equipment, the park offers opportunities for in-depth exploration and experimentation. Students can delve into complex scientific concepts, conduct research projects, and develop problem-solving skills. The Senior Science Park is a testament to NHIS's commitment to providing world-class educational facilities and fostering a culture of innovation. With state-of-the-art laboratories, specialized workshops, and expert guidance, our Senior Science Park equips students with the tools and knowledge they need to become future scientists and innovators.

Energy Circus

AR Sandbox

And many more exciting exhibits!

NHIS proudly presents - Anatodyne, a one of a kind, state of the art interactive touch screen LED, specially designed for our students. This first of its kind educational tool offers an immersive exploration of human anatomy, bringing science to life in a captivating and engaging way. With anatodyne, students dive into the intricacies of the human body in a stunning 3D way, fostering curiosity & promoting innovative learning.

3D Education at NHIS

NHIS is proud to offer a revolutionary learning experience for our students, 3D Education! We have partnered with Embibe, a leading EdTech company to enhance the learning experience of our students. Our innovative approach integrates three-dimensional technology to create an immersive, interactive and engaging educational environment. Our transformative approach to education makes learning not just incredibly exciting, but also, helps students understand and retain complex subjects more effectively than traditional 2D learning. An audio visual theater with personal 3D glasses for each student, cutting edge technology, and a thrilling learning experience awaits your child at NHIS!

Learning Studios

Our aim is to make learning an effective and enjoyable experience for all our students. All our learning studios are digital learning spaces enabled with interactive panels to provide audio and visual stimulation to our students to ensure an effective flow of information and to maximize learning. NHIS offers a wide range of learning that goes beyond textbook knowledge. Our learning studios are spacious and well ventilated to ensure that our students are comfortable while creating and building knowledge. Our learning studios act like an individual eco-system to support children in all aspects.

Cafeterias

At NHIS, we prioritize the health and well-being of our students. We have two separate cafeterias for our junior and senior students creating a comfortable and age-appropriate dining atmosphere. We believe that mealtime is an essential part of the school day, and our cafeteria is designed to be a safe, fun, and healthy space for our students to enjoy their meals. Our cafeteria, in partnership with Sodexo, offers a diverse menu crafted by expert nutritionists to cater to every palate. From delectable dishes to nutritious options, we ensure that every meal is a delightful experience. Our food committee meticulously oversees the menu, guaranteeing that our students receive the nourishment they need to thrive.

Day Care Centre

Our Day Care Center is a secure and stimulating environment designed to meet the needs of working parents. We offer more than just childcare. Our program focuses on holistic development, providing engaging activities that foster intellectual growth alongside playtime and rest. With nutritious meals, comfortable naptime spaces, and a dedicated care team, your child will thrive in our nurturing environment. We are committed to providing peace of mind for parents while ensuring a happy and enriching experience for their little ones.

Transport & Safety

NHIS has a fleet of buses that reach most parts of the city. On each bus, we have a CCTV and GPS surveillance and communication system with Live Tracking, Real-Time Alerts, and Event Logs. Drivers of the buses are trained and checked to ensure the safety of each child. Every bus has a female attendant who is there throughout the Journey. All our buses are equipped with a first aid kits.

At NHIS, we do not encourage picking up & dropping your child at the entrance/footpath of the school premises, hence our campus is equipped with a fully functional underground parking, where our buses will pickup and drop you child safely into the campus. This initiative was started to make your child's life hassle-free and also to keep your mind at rest when it comes to your child's safety. Your child's safety is our utmost priority.

We have CCTVs installed across our campus premises, in every nook and corner to ensure the safety of our children while they are at school. We have a dedicated personnel in charge of constantly monitoring the CCTV cameras.

Libraries

NHIS boasts of two vibrant libraries that serve as intellectual hubs for our students. These spaces are more than just book repositories; they are dynamic environments designed to inspire curiosity and foster a love of learning. With a carefully curated collection, our libraries cater to diverse interests, ensuring that every student finds their passion ignited. Beyond books, our libraries offer opportunities for collaboration, research, and digital exploration. Our dedicated librarians provide expert guidance, transforming these spaces into essential components of our students' educational journeys.

Senior Library

Junior Library

Clubs and Extracurricular Activities at NHIS

Our school is committed to fostering a holistic educational environment that nurtures the diverse talents and interests of our students. We offer a wide range of clubs, Co-Curricular Activities (CCA), and post-school programs designed to develop skills, creativity, and passion beyond the traditional classroom setting. We have dedicated learning studios for all CCA activities, providing specialized environments that enhance engagement and exploration.

CCA Clubs

- Kalakriti (Knitting, Sewing)
- Annapoorna (Cooking w/o Fire)
- Sur-Taal (Instrumental Music Club)
- Nrityakunj (Dance)
- Prakriti (Ayurveda)
- Challengers (Sports Club)
- Hydroponics Gardening
- Aavishkar (Science)
- Jigyasa (GK)
- Bibliophile (Reading)
- And many more!

After-School Programs at NHIS

At New Horizon International School, we are committed to providing our students with opportunities that surpass all expectations to ignite boundless potential and deliver unparalleled excellence.

Our prestigious collaborations with LaLiga academy, MLB, NBA and many more bring extra-ordinary training to our campus, where students experience elite, worldclass coaching from renowned international experts.

This dynamic partnership ensures that our students thrive with unmatched confidence and skill, embodying the pinnacle of achievement and dedication.

Additionally, we offer a plethora of after school activities such as Abacus, Theatre, Volleyball, Vedic Math, Skating, Football, Basketball, Robotics, Coding, Public Speaking and many more....

**Basketball
School**

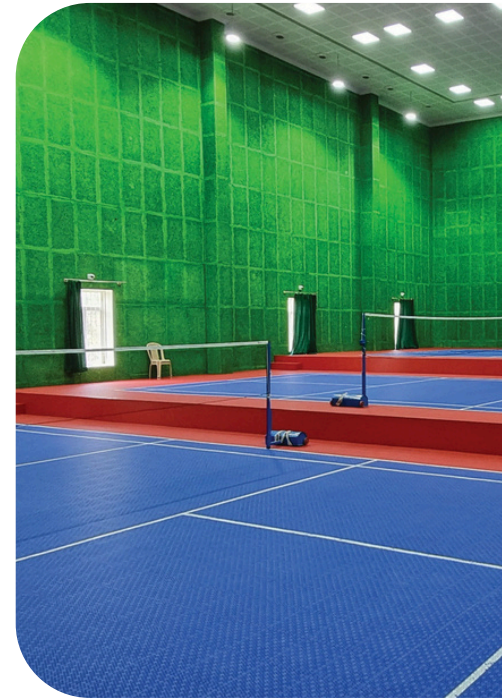

**LALIGA
ACADEMY**

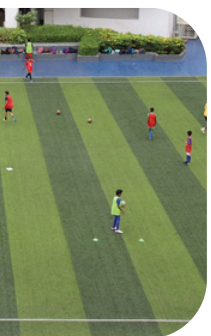

Sports at NHIS

NHIS is dedicated to cultivating well-rounded individuals through a dynamic sports program. Our dedicated coaches are passionate about inspiring young athletes and instilling the values of teamwork, discipline, and sportsmanship. Through regular physical education classes, intra-school competitions, and a focus on overall fitness, we aim to create a thriving sporting culture where every student can discover their athletic potential.
